

# WASHINGTON'S PHASED APPROACH

Modifying Physical Distancing Measures as we Reopen the State

WE ARE IN  
**Phase 3**

**INDIVIDUALS & BUSINESSES  
SHOULD FOLLOW ALL  
REQUIREMENTS DURING  
ALL PHASES**

|  |  |
|--|--|
| <b>General Population</b>                | Wear a mask in public.<br>Practice social distancing and good hygiene for allowed activities.  |
| <b>High-Risk Populations*</b>            | Strongly encouraged, but not required, to Stay Home, Stay Healthy  |
| <b>Recreation</b>                        | Outdoor group recreational sports activities (50 or fewer people)<br>Recreational facilities at less than 25% capacity (gyms, public pools, etc.)<br>League bowling (within guidelines)  |
| <b>Gatherings</b><br>(social, spiritual) | Allow gatherings with no more than 10 people   |
| <b>Travel</b>                            | Resume non-essential travel  |
| <b>Business/<br/>Employers</b>           | Movie theatres at <25% capacity<br>Restaurants <50% capacity/table size no larger than 5<br>No bar area seating. Bars: No indoor seating unless minimum food requirements in guidance are met.<br>Libraries   Museums at 50% capacity   All other business activities except for night clubs, concert venues, large sporting events, and live entertainment. |

**\*High-risk populations are currently defined by CDC as:** Persons 65 years of age and older; people of all ages with underlying medical conditions (particularly not well controlled), including people with chronic lung disease or moderate to severe asthma, people who have serious heart conditions, people who are immunocompromised, people with severe obesity, people with diabetes, people with chronic kidney disease undergoing dialysis, and people with liver disease; people who live in a nursing home or long-term care facility.
