

WASHINGTON'S PHASED APPROACH

Modifying Physical Distancing Measures as we Reopen the State

WE ARE IN
Phase 2

**INDIVIDUALS & BUSINESSES
SHOULD FOLLOW ALL
REQUIREMENTS DURING
ALL PHASES**

General Population	Wear a mask in public. Practice social distancing and good hygiene for allowed activities.
High-Risk Populations*	Strongly encouraged, but not required, to Stay Home, Stay Healthy
Recreation	Outdoor recreation close to home involving fewer than 5 people outside your household (tennis, camping, beaches, hiking, golfing, boating and league bowling with restrictions). Max 8 households & 12 people/group (guided ATV, paddle sports, horseback riding, charter fishing and other guided outdoor activities) Only with members of your family (gondolas and chair lifts, go-kart tracks, ORV/ motorcross and participant-only motorsports).
Gatherings (social, spiritual)	Gather with no more than 5 people outside your household per week
Travel	Essential travel and limited non-essential travel for Phase 1 and Phase 2 permissible activities
Business/ Employers	Drive-in movie theatres, Zoos, Aquariums and Museums at 25% capacity. Restaurants <50% capacity/table size no larger than 5. No bar area seating. Bars: No indoor seating unless minimum food requirements in guidance are met. Libraries (curbside only). No indoor movie theatres, night clubs, concert venues, large sporting events or live entertainment.

***High-risk populations are currently defined by CDC as:** Persons 65 years of age and older; people of all ages with underlying medical conditions (particularly not well controlled), including people with chronic lung disease or moderate to severe asthma, people who have serious heart conditions, people who are immunocompromised, people with severe obesity, people with diabetes, people with chronic kidney disease undergoing dialysis, and people with liver disease; people who live in a nursing home or long-term care facility.
